Dear Sir:

The above-identified patent application was originally filed with formal drawings. However, in response to a Notice of Draftperson's Patent Drawing Review, received on August 1, 2003 indicating that lines, numbers and letters were "poor in parts" in Figures 1, 2 and 5. A complete set of formal drawings is enclosed and includes the corrected Figures 1, 2 and 5. It is requested that these drawings be incorporated into the file before issuance.

Respectfully submitted,
KAR YUNG, et al
